Description

David Dagenhart points out that the error message

"If the class is a template instance, you may need to define a dummy variable of this type in classes.h.\n"

is no longer correct, in art that uses ROOT 6.

History

#1 - 08/08/2016 11:58 AM - Kyle Knoepfel

- Project changed from art to canvas
- Category deleted (I/O)
- Status changed from New to Resolved
- % Done changed from 0 to 100

Fixed with [canvas:e6c10937](#).

#2 - 08/09/2016 08:22 AM - Kyle Knoepfel

- Status changed from Resolved to Closed
- Target version set to 2.02.02
